## MAX BID

- The **Max Bid** is the highest amount you have bid on a lot and is only visible to you. Until someone bids above it, you are the **Winning Bidder**. You can edit your Max Bid at anytime.
- Our **Auto Max Bidding System** ensures that if another bidder places a bid below your Max Bid, they will be instantly outbid until you reach one increment higher than your max bid.

## INDIVIDUAL LOTTING

- Most of the lots in our auctions have different closing times and are subject to their own time extension, not affecting other lots' closing time.

## GROUP LOTTING

- Group Lotting** means that several lots are bundled together and share the same closing time.
- Group Lots can be identified by the thin gray outline surrounding them, and **GROUP (## Lots)** in the top left corner.

*Note: Each lot within the group can be sold at a different price and/or to a different buyer*

## TIME EXTENSION

If a bid is placed in the last 2 minutes of the close time, the countdown will automatically reset to 2 minutes to ensure everyone has time to bid.

## WATCH LIST

You can save the lots you're interested in by clicking the "watch" button or on the star icon ★ next to the lot number. By activating "watch" on a lot, you will be notified of any changes or updates.

## WINNING BIDDER

When you are the **Winning Bidder**, your bid will be **bold** and **blue** with your Max Bid to the right and **WINNING** displayed over the lot.

## JUMP THE BID

Click or tap the **Jump The Bid** button immediately or at anytime to implement your Max Bid as the current bid, displayed to all bidders.

## BEING OUTBID

If you are **Outbid**, you will still see your last bid with the new current bid to the right, and **OUTBID** displayed over the image.

If your bid matches the current Max Bid, your bid and the current bid will be the same, but you will still be outbid.
