| Diesel in engine oil injection pump font seal leaking, remove pump | 4 | \$120.00 | \$480.00 |
| Re-install injection pump. Change engine oil & filter; customer supplied oil. Top up coolant. On start up found oil leak from feed line to pump. Line was rubbing on injector line. Line was brazed by customer. Had to add fuel, tank too low lost prime, running good. Didn't notice any more fuel in oil. | 5.25 | \$120.00 | \$630.00 |
